In the event that the CFS/Alert SA issues a “Severe Weather Warning’ for Damaging Winds’ in the Mount Lofty Region, the following will occur:

- The Scrub area will be closed and off limits for all activities including break times, lesson time and for OSHC.
- Any excursions located within the Mount Lofty Region will be cancelled. This will include: walking (local) excursions leaving directly from the school.
- Transport based excursions resulting in students arriving at a destination where outside activities are to take place and students may be at risk due to excessive winds.

The staff member leading the excursion will seek advice from Leadership should clarification of the above be required.
