## BYO iPad Support Model: Pricing and Purchasing Options

Revision Date: 01/11/22

The aim of this model is to make it easier for all Stirling East Primary School students to have access to a personal iPad, which will be used as a tool in their learning program at school. Our school is strongly committed to the use of this technology to enhance student learning.

We know that 'with ownership comes responsibility'. We also recognise that this represents a significant outlay for families. In an effort to support our community, the following purchasing options are available.

## Notes:

- Minimum iPad purchasing specifications will be established each school year to ensure the device is able to support the learning program requirements.
- Devices/peripherals (ie–Apple Pencil) will be the property and responsibility of each family.
- Hard cases can be purchased/provided by the school.
- Any student leaving SEPS will be required to pay any outstanding balances.
- Apple Care Plus provides 2 years cover support directly from Apple, including screen damage protection, with a \$65 excess. This cannot be purchased through the school.
