This document is a signed, formal agreement between a purchaser who is a member of the Stirling East School Community and the Stirling East Primary School.

- 1) The 'end user' of the iPad will be a student at Stirling East Primary School.
- 2) The iPad will remain the property of the Stirling East Primary School until payment has been made in full.
- 3) Repairs and damage, theft or loss are the responsibility of the purchaser unless it can be demonstrated that Stirling East Primary School is at fault. Purchase of Apple Care Plus is advised and encouraged.
- 4) Students will be required to sign a User Agreement (distributed with the iPad) which clarifies they have read and understood the school's BYOiPad Policy covering:
 - a. Appropriate use at school
 - b. Care of the equipment
 - c. Safe use by the student.
- 5) The Stirling East Primary School will supply
 - a. A 'hard shell case' to assist with the protection of the iPad
 - b. Apps for school use – distributed through the school's MDM software
 - c. Basic technical support and advice.

- 7) The Stirling East Primary School will not make any profit from this program. GST is payable on all equipment.
- 8) Any student leaving the school prior to any final payment must pay the balance in full prior to departure. Failure to do so will incur a 'bad debt'.
