iPad Details

Is this iPad:

The first iPad the student has brought to school

A new iPad that replaces an iPad previously brought to school

Please fill out the following details to help us keep track of the BYOiPads at school:

Student Name: _____

BEFORE THE IPAD IS PRESENTED TO THE SCHOOL PLEASE ENSURE YOU HAVE COMPLETED THE INITIAL SET-UP PROCESS. THIS IS THE SERIES OF SCREENS YOU WORK THROUGH WHEN YOU TURN THE IPAD ON FOR THE FIRST TIME.

We strongly recommend setting up Family Sharing when creating an AppleID. This is the most effective method and offers the greatest control for parents. Search 'Apple Family Sharing' for further information or contact the school who is happy to support with set-up.

PLEASE TURN OFF ANY RESTRICTIONS PRIOR TO DELIVERING THE IPAD TO SCHOOL TO BE SET UP. RESTRICTIONS CAN HAMPER OUR ABILITY TO ENROL THE DEVICE. RESTRICTIONS CAN BE TURNED BACK ON AFTER THE SETUP PROCESS.

Student iPad Passcode: ____-____-____-____-____-____

(This is the lock code to secure access to the iPad. This helps us if your child forgets it. We do not recommend changing this passcode unless you believe the security of the iPad has been compromised.)

BYOD Policy Agreement

***NOTE: A copy of the Policy Agreement can be found on the school website**

My parents and I understand and agree to the BYOiPad Policy for Stirling East Primary School. Together, we have read the policy and discussed the expectations and guidelines of students and parents/caregivers.
