

DAMAGING WINDS POLICY

**Stirling East
Primary School**

51 Braeside Road
Stirling SA 5152
08 8339 1420
dl.0413.info@schools.sa.edu.au

In the event that the CFS/Alert SA/BOM issues a 'Severe Weather Warning for Damaging Winds' in a region where an excursion is scheduled to take place, the following will occur:

- Excursions located within the forecast region may be canceled. Consideration will be given to the location/nature and physical environment of the excursion. Cancellation will occur when outside activities are to take place and students may be at risk due to excessive winds. The decision as to whether to cancel the excursion will be made by Leadership in consultation with the staff member leading the excursion.

In the event that the CFS/Alert SA/BOM issues a 'Severe Weather Warning for Damaging Winds' in the Mount Lofty region, the afore mentioned will apply and in addition:

- Walking (local) excursions will be canceled
- The Scrub area will be closed and off limits for all activities including break times, lesson time and for OSHC.
